

SUMMARY

Aspiring Computer Engineering student from Stella Mary's College of Engineering with hands-on experience in building React and Node.js projects, including authentication systems, dashboards, calendars, and API-integrated applications. Strong interest in web development, problem solving, and continuous learning, with practical exposure to tools like Supabase, MongoDB, and Tailwind CSS.

EDUCATION

Degree / Certificate	Institute	CGPA/Percentage	year
B.E CSE	Stella Mary's College of Engineering	7.8	Present
Higher Secondary	Bishop Arockiasamy Higher Secondary School	6.8	2024
Secondary	Bishop Arockiasamy Higher Secondary School	7.8	2022

PROFESSIONAL EXPERIENCE

Community Member – Byte Bash Blitz

- Collaborated with peers on coding challenges and hackathons.
- Contributed to discussions on emerging technologies like AI and web development.
- Organized study sessions and shared resources to support fellow members.

PROJECTS

Classroom Management System

- Role-based authentication for students and administrators
- Assignment, daily homework, test scheduling, and seminar/event management
- Calendar view with deadline tracking for clear scheduling and planning

Tech Stack: Remix, TypeScript, Supabase PostgreSQL, Tailwind CSS, Vite

Discord Bot

- Built a Discord bot that awards points to users based on their activity and stores their progress in a backend database, enabling real-time gamification and leaderboard tracking.

Tech Stack: Node.js, Supabase

Custom REST API for Clan Website

- Designed and developed a REST API to provide selected server data
- Connected the API to the clan website to display real-time information
- Tested and validated API responses to ensure accuracy

SKILLS

PROGRAMMING LANGUAGES HTML (Moderate), React(Moderate), Java (Moderate), Python(Basic)

TECH STACKS : Remix, React.js, Next.js

DATABASE : MySQL, Supabase, Neon

TOOLS : Git, GitHub

CERTIFICATIONS

Certification	Provided by
Career Essentials in Software Development	Microsoft & LinkedIn
Advanced Diploma in Java Programming	CSC Computer Education
